

November 21, 2025: On the Nazi Conspiracy Growing within America

Every day, criminals embedded within the United States government abuse their power over America's spying technology to surround me and place me inside of a 'Matrix-style' false imprisonment using totalitarian spying and local criminals to drive vehicles continuously past our home as a response to every movement I make and word that I speak inside of my home.

I am serving the world as the 2nd Messiah to reveal the secret underbelly of Nazirite oppression and accusation over the world.

I am documenting the rise of Nazi-ism from inside of the USA government.

These messages are real and they are a serious attempt to alert the world to the actual circumstances that we are facing inside of America today.

I am 'prompted' by these vehicles every day to write these messages - essentially, as a hostage, writing messages to the world about how much my abusive government should be feared by everyone else in the world so that 'your family' will not suffer the same fate as mine.

I AM PRESENTING THAT TERRORISTS ARE NOW CONTROLLING THE UNITED STATES OF AMERICA AND OUR POLITICIANS CANNOT BE BOTHERED TO EXERCISE THEIR OVERSIGHT OF THE MILITARY TO STOP IT FROM TURNING INTO A NAZI TERMINATOR OF WORLDWIDE DESTRUCTION. (THIS IS NOT A MOVIE - BUT COULD BE)

For the record, this is the government-criminal's backup plan. Their original plan was to 'creep' along secretly for as long as possible. I was the one that forced them to go public with their plot and that identified them as having already overthrown the legal and lawful functioning of our American government.

Since being exposed as Nazis operating within the United States military, they have elected to 'use this exposure to their advantage' to stage an exhibit of terrorism over us and a threat to anyone else that chooses to expose their criminal operation.

I am regularly given distinct and observable 'signals' of communication from a hidden force of criminals that are operating from within the highest levels of the USA military's national security tools and technologies.

There simply is no other method by which these advanced criminal activities could possibly be occurring if it were not by and through the use of America's national security apparatus.

We are not secure - we are being held as slaves in a new, Chinese-style, authoritarian state. This is the 'proud' work of the United States Armed Forces.

As I write about the Nazirites of the Bible (within Judaism), the evil surveillance state is engaging more frequently and more personally with my home.

Vehicles are 'excitedly' driving past our house, and a random number just called my cell phone and hung up before I could 'answer their call'.

For the record, I am building my record of what I believe to be the true story of Jesus being persecuted and 'crucified' by Nazirites ('Nazis') of his time period.

Yes, I am presenting a Biblically-based argument that Judaism created, and is currently enflaming, a 'secret' 'evil' called Nazi-ism.

I am also alerting anyone that reads this that, this 'secret' 'evil' appears to be controlling high-level, advanced spying-technology, of the United States armed forces (various branches; specifically including U.S. Space Force).

The criminal gang from inside of the United States government is expressing itself to me in the form of 'adherence to' ideals of Nazi-ism.

I AM AN ADAMANT CHRISTIAN AND FOLLOWER OF JESUS CHRIST and
I am being led to believe that I am being 'held as a captive' of Nazis inside of the USA government.
